

IARI

Symposium

January 30, 2017 (Mon)

10:00—17:00

The University of Tokyo
Kashiwa Campus Library
Media Hall

The International Alliance Research Internship (IARI) Program is an exchange program between the University of Tokyo and the Université de Lyon that provides internships to students in the field of biosciences. This symposium features professors who participate in the program and is an excellent opportunity to learn about the kind of research being done through IARI.

Featuring the following Guest Speakers:

Prof. Stéphane Chambert	National Institute of Applied Sciences Lyon
Prof. Christophe Soulage	National Institute of Applied Sciences Lyon
Prof. Caroline Moyret-Lalle	Claude Bernard University Lyon 1
Prof. Agnès Bernet	Claude Bernard University Lyon 1
Prof. Pascal Bernard	École Normale Supérieure de Lyon
Prof. Yukihide Tomari	University of Tokyo
Prof. Koichi Matsuda	University of Tokyo
Prof. Kiyoshi Asai	University of Tokyo
Prof. Shoji Kawamura	University of Tokyo
Prof. Chieko Kai	University of Tokyo

Presented by the Graduate School of Frontier Sciences, the University of Tokyo
